African Women in Leadership Organisation

Chief Technology Officer

AWLO International Headquarters, Lagos - Nigeria

Mar. 2017 to Current

My responsibilities move along all levels of the organisation. I am responsible for:

- ~ working with the President and other Execs to develop a technical strategy for the company; this involves goal-setting, discussing options and analyzing risks.
- ~ aiding recruitment and retention efforts, streamlining operations and advocating for innovative ideas and individuals on the team.
- ~ maximizing the efficiency of production efforts by coordinating the various teams and operations involved in the process and ensuring there is no overlap.
- ~ keeping up on competitive trends, both in the market and among partners.
- ~ keeping an eye for new technological developments that can help the organisation improve efficiency and customer satisfaction.
- ~ working with the marketing team to develop strategies and plan community-related efforts.
- ~ building confidence in the company's vision.
- ~ working diligently to meet end-users needs.
- ~ providing a face for the organisation's technical vision.
- ~ utilising social media and online marketing strategies to build a strong online presence.

Toastmasters International · Vice President Membership

AWLO Toastmasters

- I promote the club and manage the process of bringing in guests and transforming them into members.
- By initiating contact with guests, making them feel welcome, and providing them with the information they need to join, I help maintain a constant influx of new people into our club.
- I also attentively monitor membership levels and strategize with the rest of the executive committee about how to overcome membership challenges when they occur.
